MATURITY PROFILE OF ISSUED COVERED BONDS

¹⁾ Regards only bonds issued after 01/01/2019

²⁾ The extension of CBs maturity would be based on specific notification of a competent administrator to the National bank of Slovakia and can only apply to banks that are in receivership or under an adjudication of bankruptcy, or if a proposal to commence resolution proceedings against a bank was submitted. The maturity of CBs may be extended by 12 months (max. twice). Maturity extensions must not invert the sequencing of the CBs programme's original maturity schedule.
