Discounted entry fee when transferring capital between FUNDS:

In a transfer of capital between ČSOB AM Funds / KBC AM Funds, a discounted entry fee of 0.25% of the transferred amount + the difference of the entry fees will be charged if the conditions below are met⁴⁾.

Conditions for a discounted entry fee when transferring capital between ČSOB AM Funds / KBC AM Funds:

- proceeds from the redemption of Units in another ČSOB AM Fund/KBC AM Fund are used for the issuance of a Unit in the ČSOB AM Fund/KBC AM Fund (the value of the investment on the Subscription Order is equal to the value of the proceeds from the redemption of Units under the Redemption Order); and
- the time span between the delivery of the Redemption Order and the delivery of the Subscription Order to ČSOB does not exceed 5 business days, wherein the Subscription Order can be submitted only after settlement of the Redemption Order; and
- the name of the ČSOB AM Fund/KBC AM Fund in which the Client requests redemption of Units is the same as the name of the ČSOB AM Fund/KBC AM Fund in which the Client subsequently requests the issuance of Units; and
- the Client's written expression of intent to transfer capital between the ČSOB AM Funds / KBC AM Funds is attached.

A transfer of funds between ČSOB AM Funds / KBC AM Funds is not possible if the Client has submitted a Redemption Order or a Subscription Order for Units that are part of an internal transfer:

- in a hedged or structured KBC AM Fund or
- in a Fund that, within the meaning of this Table of Fees for Mutual Funds the exit fee is higher than 0%.

In the event of a transfer of capital between KBC AM Funds of the SIVEK Group, a 0% entry fee is charged.
