No currency conversion is performed if the currency in which the Transaction is made is the same as the currency in which the Credit Account is held.
 5. In the case that the currency in which the Transaction was made, is not listed in the Bank's exchange rate schedule, or is listed in the Bank's exchange rate schedule but is CNY (Chinese yen), the conversion of the Transaction amount denominated in the Transaction currency to the Transaction clearing currency (the euro) at the Bank shall use the exchange rate of this currency to the Card Company's reference currency set by the Card Company and then the Transaction amount denominated in the reference currency shall be converted to the Transaction clearing currency (the euro) at the Bank. In the case that a credit Transaction is made in respect of a previous debit Transaction (Return of Goods), and this Transaction was made at a Point of Sale processed by a different bank, the Bank shall bear no liability for any difference in the converted amounts, arisen in consequence of the time delay between the clearing of the debit and credit Transactions. Where the Cardholder so requests, the Bank shall send an SMS on the Authorisation of the payment and on its amount.
 9. The Bank is entitled to charge a Credit Card Transaction within 30 calendar days from the date of the Transaction being made. Pursuant to the Banking Act the Bank shall keep internal records allowing retrospective searching for a Transaction and for error correction. It is the responsibility of the Cardholder to regularly check Transactions, where electronic information channels may be used for this, and which allow any Claim to be made in a timely manner.
 10. The Statement lists Transactions made by the Cardholder, as well as by the Additional Cardholder, where an Additional Card has been issued in respect of the Credit Account. The Statement contains in particular the following data: (a) identification of individual

1. The Principal Cardholder is obliged to repay to the Bank not later than on the Maturity Date the Amount Owing in any amount, at least though in the amount of the Minimum Repayment, as specified in the Statement. The Statement of Credit Card Transactions for a Monthly Period is always issued 25 days prior to the Maturity Date. The Bank shall inform the Principal Cardholder of movements and balance on the Credit Account by way of a Statement free of charge by means of electronic banking services established on the basis of a separate contract concluded between the Bank and the Cardholder, monthly at the end of the calendar month for which the Statement is prepared, unless the Bank has agreed otherwise with the Principal Cardholder.
The Cardholder is at any time entitled to change the manner of issuing and periodicity of sending Statements, via the electronic banking services or in person at a Bank branch by way of a request for a change of Statements.
The Bank shall inform the Principal Cardholder of movements and balance on the Credit Account only if during the Monthly Period the Credit Account has recorded any Transactions.
2. The Bank shall not be liable for any non-delivery or delay in delivery of a Statement to the Cardholder.
3. The amount of the Minimum Repayment is 5% of the Amount Owing, though at least €15. If the Amount Owing used for the calculation of the Minimum Repayment is below €15, the amount of the Minimum Repayment shall be equal to the Amount Owing. The Cardholder is entitled to change the amount of the Minimum Repayment to an amount according to the current offer by the Bank. The changed amount of the Minimum Repayment shall apply to a period following the month in which the Applicant's request for change has been filed.
4. If the Cardholder's current account from which the credit is repaid is held at the Bank, the Cardholder is entitled at any time throughout of the contractual relationship to also request a monthly automatic full repayment in the amount of 100% of the Amount Owing. The Cardholder may cancel the automatic full repayment at any point during the contractual relationship, or request it from the Bank repeatedly. The procedure for arranging and changing the full automatic repayment is identical to the procedure for changing the Minimum Repayment under point 3 of this clause.
5. The Bank is entitled to collect the respective repayment in the amount under point 3 or 4 of this clause from the Cardholder's current account. If the Cardholder's current account is held

at the Bank, the Bank will send a collection order on the Maturity Date. Where the Cardholder's current account is held at another bank in the Slovak Republic, the Bank will send the collection order on the 6th business day preceding the Maturity Date. If the Maturity Date falls on a business day, that day shall be included in the number of days for the purposes according to this point.

6. The Cardholder is required to ensure sufficient funds coverage on his current account as at the Maturity Date.
7. In the period from the Balance Date up until the Maturity Date the Cardholder is entitled to repay the Amount Owing to the Credit Account, by a cashless transfer or cash deposit. In this case the collection will be made on the Maturity Date, or on the 6th day preceding the Maturity Date, only in the amount of the difference between the agreed Minimum Repayment and the amount of the repayment(s) that has already been credited to the Credit Account, or which was credited to the Credit Account on the day preceding the day on which the Bank sends the collection order to the other bank. If the amount of the repayment(s) credited to the Credit Account prior to the Maturity Date equals or exceeds the amount of the current Minimum Repayment, no collection shall be made.
8. If full automatic repayment has been agreed and the Cardholder's current account does not on the collection day contain sufficient funds to cover it, the Bank shall collect from the Cardholder's current account the amount according to point 3 above.
9. The Cardholder undertakes to pay interest on funds drawn on the Credit Limit.
10. The interest rate is agreed in the Contract. The Bank has the right to change the level of the interest rate at any time. In the Statement the Bank shall inform the Cardholder in writing of any change to the level of interest rate. If the Cardholder disagrees with the proposed new interest rate, and unless the contracting parties agree otherwise, the Cardholder is obliged to notify the Bank of this fact in writing. The notice must be delivered to the Bank not later than 15 days from the end of force of the previously agreed interest rate and shall be deemed to constitute a notice terminating the Contract. In the period between expiry of the agreed interest rate and repayment of the full Amount Owing, the Bank shall charge interest at the previously agreed amount.
11. The Cardholder may use the interest-free period offered by the Bank for cashless and cash Transactions only if the Cardholder settles by the Maturity Date the full Amount Owing as specified in the Statement. If the Cardholder fails to repay the full Amount Owing by the Maturity Date at the latest, the funds drawn shall accrue interest under point 10 of this clause, starting on the day of clearing the respective Transaction.
12. In the event that a Cardholder makes an unauthorised overdraft of the Credit Limit, the overdrawn amount must be repaid in full for the respective Monthly Period and the Bank is entitled to collect more than the Minimum Repayment under point 3 of this clause.
13. If the repayment has not been made as at the Maturity Date in an amount under point 3 or point 12 above, as applicable, the Bank shall, as of the following day, be entitled to disallow any further drawing on the Credit Limit.
14. In the event that a Cardholder makes an unauthorised overdraft of the Credit Limit, the amount by which the Credit Limit was overdrawn without authorisation shall bear interest at the interest rate published at the Bank's interest rate board for the respective type of Credit Card.
15. If the Cardholder fails to make the mandatory Minimum Repayment on the Maturity Date, the Bank shall become entitled to continue to charge interest on the sum in the amount of the mandatory Minimum Repayment at the interest rate agreed under point 10 of this clause,

increased by the interest rate on arrears at the level published at the Bank's operating premises and on at www.csob.sk, applicable on the day when the Cardholder entered into default, i.e. from the Maturity Date, through to the day on which the mandatory Minimum Repayment has been made in full.

16. Interest and interest on arrears shall be calculated and charged on the basis of a year having 360 days and on the basis of a month having the actual number of calendar days.
17. Interest for the past Monthly Period shall be charged to the debit of the Credit Account, always on the day following the Maturity Date. Interest on arrears becomes payable immediately and is not charged to the debit of the Credit Account.
18. For its services the Bank is entitled to charge the Cardholder fees according to the Bank's Table of Fees, to the debit of the Credit Account.

The Cardholder is required to file a Claim in the manner specified by the Bank and in line with the applicable Claims Procedure of the Bank without undue delay following the day of ascertaining this fact, but no later than 13 months from the date of making the Transaction.
2. The Cardholder is obliged to file a Claim at the Bank branch holding the Credit Account and to present available documentation relating to the disputed Transaction (the Cardholder's declaration on the disputed Transaction, copies of Sales Slips, a document concerning the Transaction's cancellation, a copy of the Statement with the claimed Transaction marked, etc.). The Bank is entitled to require, in addition to the listed documents, also further documents necessary for proving the eligibility of the Cardholder's claim. In case where the documentation necessary for handling the Claim is not duly delivered to the Bank within the agreed period, the Bank shall be entitled to suspend the Claim proceedings until the documents have been presented, whereupon the Claim shall be deemed filed.
3. The Bank shall file the Transaction Claim at the Acquirer only following the submission of all documents it has requested.
4. The Bank shall decide on the eligibility of a Claim without undue delay, though no later than 15 working days from the delivery date of the Claim in the manner agreed according to the Bank's Claims Code. In justified cases, where it is not possible to comply with the period of 15 working days, the Bank is obliged to provide the Cardholder within this term a preliminary response to the Claim filed, also with a deadline for a final answer. The term for delivery of the final answer may not exceed 35 days.
5. In the case that it concerns a Credit Card Transaction made in a currency other than euro, complete handling of the claim may take up to 6 months.
6. When charging Transactions made by Credit Cards abroad, the Bank shall not recognise a Claim by the Cardholder relating to an amount arising through the exchange rate difference between the day of making the Transaction and the day of charging the Transaction.
7. Claims under this clause do not relieve the Cardholder of the obligation to make the mandatory Minimum Repayment in the amount and on the Maturity Date as specified in the Statement.
8. It is the responsibility of the Cardholder, in the case of a Claim concerning a disputed

Transaction with suspicion of Credit Card misuse (e.g. card forgery, Internet, ATM), to hand in to the Bank the Credit Card to which the disputed Transaction relates. This obligation shall not apply in the case of Credit Card loss or theft having been duly reported to the Bank.

9. The Bank shall not be liable for defects in the goods or services that the Cardholder paid for by the Credit Card. The Cardholder is required to make this type of claim at the place of purchase.
